

## Discussion period 1:

Allow six minutes reflection time for each of these questions:

1. How do you 'talk' to God during Mass outside of the Mass prayers?
2. When the priest says, "Let us pray," what is *your* internal response?
3. Silence is important—what is *your* internal response to silent periods during Mass?

## Discussion period 2:

- A. How sensitive is the setting on *your* 'sense of sin' meter?
- B. Talk about a time in your life that you felt God was absent, and if you later learned He had been with you all along...
- C. What "word" does the Lord have to say for my soul to be healed?
