## World Day of Prayer – March 1, 2019

The World Day of Prayer is a global  
ecumenical movement that brings  
together Christians of many traditions to  
observe a common day of prayer on the  
first Friday of March. The day has its  
origins in the 19th century, when Christian  
women in North America started to be  
involved in missions at home and in other  
parts of the world.

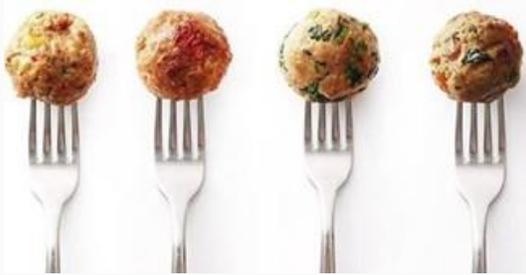

Each year the focus is on a certain  
country, with women of that country  
providing art, music, prayer, and other  
resources to help mark the day. This  
year's focus will be on Slovenia.

The World Day of Prayer is coordinated by the Women's Inter-Church Council of Canada.
