

Review of Existing Policies

Policy No. 109

Policy Statement: The Policy Development & Review Committee shall be responsible for a periodic review and evaluation of existing policies.

Procedure:

- a) The Committee will determine procedures for an effective practice of review and evaluation of all policies on a regular basis.
- b) The review by the Policy Development & Review Committee will consider whether the policy is being adhered to and, if not, what action the Episcopal or Administrative Council should consider recommending to the Archbishop.
