Product description

by Ann Dickinson Degenhard

Children's Liturgy of the Word provides liturgy preparation pages and liturgy guides for every Sunday. Each liturgy guide includes words of dismissal for the presider, an opening and closing prayer, petitions for the Prayer of the Faithful, and the full text of an interactive homily/reflection that connects the Word to life experiences of children.

Children's Liturgy of the Word allows the power of the liturgy to act on children, facilitating their growing relationship with God and allowing them to testify to their own experiences of God's presence. Instead of following a traditional classroom model of a lesson followed by an activity or game, this resource closely follows the structure of the Liturgy of the Word being celebrated in the main assembly, as stipulated by the Directory for Masses with Children and the introduction to the Lectionary for Masses with Children. This resource makes leading a liturgically appropriate celebration of the Word easy, even for inexperienced leaders.
