

Building New Churches

Policy No. 203

Policy Statement: The Archdiocese provides loans to parishes building new churches through a special fund at interest rates that are reviewed annually by the Archdiocesan Finance Committee.

See Internal Interest Rates (Appendix 211A) for the current rates.

Procedure:

- a) Any possible building project must be discussed with the Archbishop, the Chancellor and the Financial Administrator before initiating any process.
- b) Archdiocesan guidelines for construction must be followed. See Construction and Major Renovations (Appendix 203A) for details.
